

**JOHN 14:1-10**

The most important thing about **where we're going** is  
**Who is there**

**Knowing Jesus is...**

- ... **finding the highway** to where you're going
- ... **having clarity** amidst **confusion**
- ... **living** with the **joy** and **peace** you've always wanted

Know the difference between **knowing** and **knowing about**

Are you on **the way**?

Are you listening to **the truth**?

Are you living **the life**?
