

1 CORINTHIANS 10:12-13

The issue is not **life circumstances**; it is **temptation**

God **limits** our **temptations** according to our capacity to **endure**

2 CORINTHIANS 1:3-4, 8-9

What God *does* give: **comfort** in our **troubles**

God's **comfort** comes in **community**—he gives us **each other**

THE CONCLUSION:

It's not what I can handle, but what **we can handle with God**
